

How Do We Effectively Embrace the New Roles of On-Line Learning?

MISSISSIPPI STATE
UNIVERSITY™

DIVISION OF AGRICULTURE, FORESTRY
AND VETERINARY MEDICINE

Reuben Moore | July 2020

ADAPT

- Went 100% online
March 9
- Extended spring break to
allow faculty time to
prepare
- Prior to March 9, about
18% of faculty had 450
courses online.

PREPARE

- Over 60 training sessions provided by Center for Teaching and Learning
- Teaching technology platforms, proctoring, and other lessons provided.

SUCCEED

- Every course taught online.
- Effective faculty instruction using videos, online interaction, guests.
- Acceptance among students.

How Do We Effectively Embrace the New Roles of On-Line Learning
