

### Contact Information for Southern SARE Programs

Rob Holland and Troy Dugger, *Center for Profitable Agriculture*

The USDA SARE program is implemented across the country through four regions. The Southern SARE (SSARE) programs are administered by a host consortium consisting of the University of Georgia and Fort Valley State University. The SSARE PDP program is directed by staff at the Kerr Center for Sustainable Agriculture in Poteau, Oklahoma.

The SSARE region includes: Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, Oklahoma, South Carolina, Tennessee, Texas, Virginian, Puerto Rico, and US Virgin Islands.
