The University of Tennessee Extension Department of Family and Consumer Sciences (UT Extension FCS) offers both the Tennessee Nutrition and Consumer Education Programs (TNCEP) and the Expanded Food and Nutrition Education Programs (EFNEP).

Through TNCEP, UT Extension FCS provides nutrition education and chronic disease prevention projects for persons eligible for the Supplemental Nutrition Assistance Program (SNAP). TNCEP is funded by the Department of Human Services (DHS) and the United States Department of Agriculture (USDA).

EFNEP is a peer-to-peer intensive direct education program using a hands on nutrition education approach to reach adults who are caregivers of young children as well as school-age youth at risk for food insecurity. EFNEP is funded by the United States Department of Agriculture (USDA) and by the Institute of Food and Agriculture (NIFA).
