

REVISED 2020

TENNESSEE 4-H HORSE CHAMPIONSHIPS HANDBOOK

This handbook is to serve as a guide for conducting the Tennessee 4-H Horse Show, Horse Bowl, Hippology, Public Speaking, Team and Individual Demonstration Contests, and the State 4-H Horse Judging Contest. Extension agents, 4-H Club members, parents, leaders and others involved with these events should read and become familiar with these rules, accept the responsibility to follow these guidelines and, upon signature and submission of entry forms, agree to abide by the rules and regulations. These rules are taken directly and indirectly from breed association rule books and altered to accommodate the Tennessee 4-H Horse Program participants.

SECTION 1. OBJECTIVES OF THE 4-H HORSE PROGRAM

The 4-H Horse Program encourages 4-H members to:

- Develop leadership, initiative, self-reliance, a sense of fair play and other desirable character traits.
- Increase knowledge of all aspects of horse science and management of horses.
- Learn skills of horse management and an understanding of the business and career opportunities of breeding, raising, training showing and judging horses.
- Experience the pride of owning (if possible) a horse or pony and being responsible for its care.
- Develop an appreciation of horses and horseback riding, which is a healthy form of recreation.
- Promote a great love for animals and a humane attitude toward them.
- Be better prepared for citizenship responsibilities through working in groups and supporting community services and horse activities.

SECTION 2. PURPOSE OF THE TENNESSEE 4-H HORSE SHOW PROGRAM

The purpose of the Tennessee 4-H Horse Show Program is to provide a progressive series of educational opportunities for 4-H members to exhibit their skills at the county, region, state, or regional and national levels. This program allows the 4-H members to participate in activities designed to improve their sense of citizenship, fair play, horse management, character, competitive attitude and self-discipline, while creating an atmosphere for learning and applying life skills.

SECTION 3. PURPOSE OF THE TENNESSEE 4-H HORSE SHOW PROGRAM HANDBOOK

This handbook provides a uniform set of rules and regulations that are intended to standardize 4-H shows throughout Tennessee. It is suggested that these rules be used as a guide for county activities. Counties are encouraged to develop a 4-H horse program to meet local needs and to provide a wide range of educational activities, including a county 4-H horse show. Some classes or divisions in the state 4-H horse show will not be applicable at either the county or region level. If the county or region does not have sufficient interest in a given class or division, it does not have to be held. The list of classes in this program should in no way limit or restrict a county or region program. Each county and/or region is encouraged to include any additional classes that are of a local interest. Only the classes listed in this handbook will be included in the Tennessee 4-H Horse Show.

SECTION 4. USE OF THE NAME AND EMBLEM OF 4-H

- 4.1. The use of the name and emblem of 4-H is regulated by federal law. This states that only activities or programs under the supervision of UT Extension may use the name and emblem of 4-H.
- 4.2. Any area (regional), region or state 4-H horse show must have the approval of the state 4-H office.
- 4.3. Local and county 4-H horse shows must have the approval of the Extension agent.
- 4.4. Shows or events sponsored by other organizations or individuals that provide separate classes for 4-H members are not permitted to use the name and emblem of 4-H without the approval of the state 4-H office.

SECTION 5. ELIGIBILITY OF PARTICIPANTS FOR THE TENNESSEE 4-H HORSE SHOW

- 5.1. To be eligible to participate in the Tennessee 4-H Horse Show, 4-H members must have been in the 4th grade on January 1 of the current year. The last year of participation is the end of the calendar year in which the 4-H'er becomes 19 years old or in which the 4-H'er graduates from high school.
- 5.2. Grade divisions are as follows:
 - Junior — Grades 4 and 5.
 - Junior High — Grades 6, 7 and 8.
 - Senior — Grades 9, 10, 11 and 12.
- 5.3. In classes where there is no Junior High division, the Junior class will include grades 4-8. The grade level is as of January 1 of the current year.
- 5.4. All 4-H members must complete an Entry Form for the State 4-H Horse Championship for each project horse on or before May 15 of the current year. The form(s) should be turned into the county Extension office.
- 5.5. To be eligible for the Tennessee State 4-H Horse Championships, a member must:
 - A. Be a bona fide 4-H member.
 - B. Show in at least one class at his/her respective regional 4-H horse show (see rule 5.6).
 - C. Have a current 4-H horse entry form dated on or before May 15 and filed with county Extension staff.
 - D. Be showing the member's project horse(s) (see 5.7).
- 5.6. If a member shows in at least one class at his/her regional 4-H horse show, this qualifies the member and ALL the enrolled 4-H project horses of that member for entry at the Tennessee State 4-H Horse Championships. However, only officially enrolled horses that are properly entered in the Tennessee 4-H Horse Championships will be allowed to show. **ADDITIONALLY, ONCE A HORSE IS ENTERED IN A CLASS AT THE TENNESSEE STATE 4-H HORSE CHAMPIONSHIPS, NO CLASSES CAN BE ADDED AND HORSE SUBSTITUTION WILL NOT BE PERMITTED. EXCEPTIONS:**
 - A. 4-H members may scratch horses from the various classes.
 - B. Horse substitutions may be made in equitation and showmanship classes.
 - C. If a 4-H member's horse dies, becomes sick or unsound **prior to qualifying at the regional show or before the state show**, the member may substitute another 4-H member's horse or may purchase another horse. A veterinarian's certificate of the death, sickness or unsoundness of the horse must be filed with the Extension agent and brought to the regional or state 4-H horse show.

- D. Additionally, if a 4-H member becomes sick or injured **prior to competing in a class at the regional show**, that youth may show at the Tennessee State 4-H Horse Show provided a doctor's written certification is presented **at the regional 4-H horse show**.
 - E. In both instances (illness/injury of horse or 4-H member), **proper and timely entry must still be made** for the Tennessee State 4-H Horse Championships.
- 5.7.** A 4-H member may be excused from his/her regional show and still participate in the Tennessee State 4-H Horse Championships if:
- A. A letter, signed by both the 4-H member and his/her respective Extension agent, is written stating the reason for the 4-H member's desire to be absent from the regional show.
 - B. This letter is submitted to and approved by the **4-H Animal Science OR Equine Specialist in Knoxville**.
 - C. The 4-H member, family, leader or Extension agent completes a state entry form along with an entry fee.
- 5.8.** The following conditions must be met if the horse is to be eligible as a project animal:
- A. Member and family-owned: The horse is solely and unconditionally owned by the 4-H member or a member of his or her family (parent, brother, sister, grandparent or guardian). Single or combination ownership is permissible. These members must share management duties equally.
 - (1) Horse MAY NOT be shown in the same class twice.**
 - B. Non-family-owned: The horse is owned by someone other than a member of the immediate family:
 - (1) Single or combination ownership is permissible. These members must share management duties equally.
 - (2) Horse MAY NOT be shown in the same class twice.**
 - (3) A letter of certification and agreement signed by the owner(s) of the horse and the parent or legal guardian of the 4-H member must be approved by the 4-H leader before the horse can be accepted as a project animal. This letter, along with a picture of the horse, must appear in the record book. The member must have free access to the horse.
- 5.9.** Each Extension agent must certify the eligibility of each member and the horse(s) from his/her county.
- 5.10.** A fee must be submitted for each class in which a horse is entered. A separate entry fee for cattle classes may be assessed.
- A. Entry fees are to be submitted **to the County Extension Office** when entry is made.
 - B. Checks for the entry fees are to be made to the **Tennessee 4-H Foundation**
 - C. **Entry fees are non-refundable.**
- 5.11.** State show entry procedures
- A. Exhibitors will submit state entry forms and fees to the County Extension office.
 - B. County agents will then be responsible for submitting the state entries via the online entry system as well as forwarding hard copy forms to the state 4-H animal science specialist.
 - C. Exhibitors are **STRONGLY** encouraged to "proof" state entries at the regional show.

SECTION 6. GENERAL INFORMATION: 4-H MEMBERS AND HORSES

- 6.1. It is mandatory that members be polite, be good sports, and be properly attired. **Members are notified that any act of discourtesy or disobedience to the judge, to committee members or other officials on the part of the rider, owner, parents or trainer shall disqualify the horse and the member.** A 4-H member MAY NOT receive any physical or electronic assistance in the ring after the youth has entered in the gate.
- 6.2. **ALL RIDERS (INCLUDING ADULTS) AT 4-H EVENTS AND ACTIVITIES ARE REQUIRED TO WEAR PROPERLY FITTED ASTM/SEI-CERTIFIED HELMETS WITH CHIN STRAPS PROPERLY FASTENED WHILE MOUNTED OR WHILE IN A VEHICLE BEING PULLED BY EQUINE.**
- 6.3. Dogs of 4-H members, parents or guests must be on leash at all times and are not allowed in buildings or show rings.
- 6.4. Cruel or rough handling of horses will not be allowed and may result in elimination at the decision of the judge and/or show committee.
- 6.5. Horses and ponies must be 3 years old to be shown in any performance class.
- 6.6. Stallions are ineligible to compete in any 4-H horse show.
- 6.7. Unruly and unsound horses will be excused from the ring. Determination of unruliness will be left to the judge and/or show committee. Determination of unsoundness will be left to the judge. Unsoundness shall not penalize a rider in equitation classes unless it is sufficiently severe to impair the performance of the horse or is detrimental to the horse's well-being.
- 6.8. The exhibitor must make the choice of showing the animal as a horse or pony. An animal cannot be shown as both a horse and a pony in classes that have separate horse and pony designations. Pony heights for the various divisions are as follows:
- A. Western, Speed Events, Saddleseat, and Spotted Saddle Horse Divisions – 58 inches (14.2 hands) and under
 - B. Hunter Division
 - (1) Small ponies – 50 inches (12.2) hands and under
 - (2) Medium Ponies – more than 50 inches (12.2 hands and not to exceed 54 inches (13.2 hands)
 - (3) Large ponies – more than 54 inches (13.2 hands) and not to exceed 58 inches (14.2 hands)
 - C. Walking/Racking Division – 60 inches (15 hands) and under
- 6.9. All ponies MUST be measured at the regional show in order to show in pony classes at the state show.
- A. If a pony was not shown, and thus was not measured at the regional show, it may be entered into the state show BUT must be measured at the state show prior to pony competition.
 - B. If a "pony" is not measured, it will automatically become a HORSE entry.
 - C. Although an equine is measured as a PONY, it may be shown in HORSE classes **instead of** pony classes.
 - D. A pony may NOT show in BOTH pony and corresponding horse classes.
 - E. A pony MUST be measured every year until the year that the pony is 6 years old. Ponies 6 years old and older will not need to be measured in subsequent years.
 - F. A measurement will only be recorded ONCE for each pony/horse (Exception: ponies under 6 years old. See above).
- 6.10. **A member can exhibit only one horse or pony in a class. The same horse MAY NOT be shown in the same class twice. A member MAY NOT enter more than one horse in a class.**

- 6.11. A 4-H member may exhibit a horse in a horse class and a pony in a pony class in the same division (i.e., western pleasure, hunter, barrels, etc.)
- 6.12. PROOF OF A NEGATIVE COGGINS TEST FOR EQUINE INFECTIOUS ANEMIA FROM AN APPROVED LABORATORY WITHIN 12 MONTHS OF THE OPENING DATE OF THE SHOW MUST BE PROVIDED FOR EACH HORSE OR PONY TO BE EXHIBITED.
- 6.13. The **original** certificate showing proof of the negative Coggins test must accompany the horse and be presented before the exhibitor may pick up an entry packet and show. The copy with the horse is the one that will be checked.
- 6.14. Horses that show clinical signs of infections or communicable disease shall not be stalled, shall be denied participation, and must be removed from the grounds.
- 6.15. All exhibitors should check well in advance of the show with their veterinarian for a preventive health program review. A vaccination program should be considered and discussed with the veterinarian.
- 6.16. The age of horses will be determined as of January 1 of the year foaled. A horse becomes a year older on January 1, not on its actual birthday. (Exception: Registered Tennessee Walking Horses, Racking Horses and Spotted Saddle Horses foaled in October, November and December may be considered foals of the following year).
- 6.17. Junior Horses – In Western, Ranch and Hunter division classes, reference to junior horses means yearling minimum age, 5 years maximum age. Junior horses competing in western pleasure, western horsemanship, reining, ranch riding and trail classes that are shown with a hackamore or snaffle bit may be ridden with one or two hands on the reins. The tails of the reins must be crossed on the opposite side of the neck when riding with two hands on split reins except in reining classes. In the Gaited division TWH/RH classes, reference to junior horses means maximum 5 years of age and a minimum age of yearling. In the Gaited division SSH classes, reference to junior horses means maximum 3 years of age and a minimum age of yearling.
- 6.18. Senior Horses – In Western, Ranch and Hunter division classes, horses must be 6 years of age and older. For Gaited division classes, horses must be 5 years of age or older.
- 6.19. Courses, patterns, and/or rules may be altered at the discretion of the Extension staff.
- 6.20. No trainers, parents, or other adults are allowed to ride horses in primary show rings **at any time**.
- 6.21. **No 4-H member will be allowed to ride his/her horse on any concrete or pavement at the state 4-H horse show. Exhibitors MUST lead their horses to the appropriate riding arena or ring. Areas where the 4-H members may mount on pavement or concrete will be designated with signs as a “mount area.”**
- 6.22. A 1-minute time limit to enter the ring once a number is called for all entries of all classes will be imposed.
- 6.23. Hair may be added to the tail of any horse in any division.
- 6.24 Show management reserves the right to combine any class with like classes if there are fewer than 5 entries in a particular class at the time entries close.

6.25. Welfare Stewardship Rule: Minimum Body Condition Score (BCS) Needed to Compete.

Research has shown that health complications, including heat stress, stress of traveling and showing, can be exacerbated at low body condition scores.

Due to concerns for animal welfare and the objective of the Tennessee 4-H Horse Program to educate and promote quality equine husbandry; horses, ponies, mules, donkeys and/or other equids shall not be shown at the Tennessee 4-H Horse Show with a body condition score less than 4 based on the Henneke BCS scale (ribs easily discernable, withers accentuated and neck obviously thin). Six areas are evaluated when assigning body condition scores to horses or other equids (Image 1) when utilizing the Henneke BCS system (Table 1). At least two (2) personnel from the Tennessee 4-H Horse Program Committee will evaluate any horse in question; including but not limited to the University of Tennessee equine Extension specialist, University of Tennessee Extension veterinarian, general show manager or division chair/manager, University of Tennessee Regional Extension staff, or other qualified person. If a horse is determined to have a BCS of less than 4, the representatives from the Tennessee 4-H Horse Program Committee will make a final decision whether or not to disqualify the animal from the remainder of the show. *If you have questions about the body condition score of your horse, or if you are not sure your horse will pass inspection, please contact your county Extension agent, regional specialist, Extension veterinarian or equine Extension specialist.*

Image 1: Six areas of evaluation utilized to assign body condition score.

Table 1: Horse Body Condition Scores and Descriptions (Adapted from Henneke et al., 1983)	
<i>Score</i>	<i>Description</i>
<i>1 — Poor</i>	<i>Animal is extremely emaciated. Spinal vertebrae, ribs, tailhead, and point of hip and point of buttocks project prominently; bone structure of withers, shoulders and neck easily noticeable; no fatty tissue can be felt.</i>
<i>2 — Very Thin</i>	<i>Animal emaciated. Slight fat covering over base of spinal vertebrae; transverse processes of the lumbar vertebrae feel rounded; spinous processes, ribs, tailhead, and point of hip and point of buttocks prominent; withers, shoulders and neck structures faintly discernable.</i>
<i>3 — Thin</i>	<i>Fat built up halfway on the spinal vertebrae; transverse processes cannot be felt; slight fat cover over ribs; spinous processes and ribs easily discernable; tailhead prominent, but individual vertebrae cannot be identified visually; point of buttocks appear rounded but easily discernable; point of hip not distinguishable; withers, shoulders and neck accentuated.</i>
<i>4 — Moderately Thin</i>	<i>Slight ridge along back; faint outline of ribs discernable; tailhead prominence depends on conformation, but fat can be felt around it; point of hip not discernable; withers, shoulders and neck not obviously thin.</i>
<i>5 — Moderate</i>	<i>Back is flat (no crease or ridge); ribs not visually distinguishable but easily felt; fat around tailhead beginning to feel spongy; withers appear rounded over spinal vertebrae; shoulders and neck blend smoothly into body.</i>
<i>6 — Moderately Fleshy</i>	<i>May be slight crease down back; fat over ribs spongy; fat around tailhead soft; fat beginning to be deposited alongside of withers, behind shoulders and along the sides of the neck.</i>
<i>7 — Fleshy</i>	<i>May have crease down back; individual ribs can be felt but there is noticeable fat between ribs; fat around tailhead soft; fat deposited along withers, behind shoulders and along neck.</i>
<i>8 — Fat</i>	<i>Crease down back; difficult to feel ribs; fat around tailhead very soft; area along withers filled with fat; area behind shoulder filled with fat; noticeable thickening of neck; fat deposited along inner thighs.</i>
<i>9 — Extremely Fat</i>	<i>Obvious crease down back; patchy fat appearing over ribs; bulging fat around tailhead, along withers, behind shoulders and along neck; fat long inner thighs may cause them to rub together; flank filled with fat.</i>

SECTION 7. FORBIDDEN SUBSTANCES, METHODS AND PRACTICES

- 7.1.** The administration of any drug affecting the central nervous system (stimulant or depressant) to a horse shown in any 4-H class is strictly prohibited.
- 7.2.** Show management of all 4-H shows or 4-H classes have the right to have horses tested for drugs by a qualified veterinarian. Samples will be submitted to a suitable laboratory for testing, and the results of such tests will be provided to county and state Extension faculty for appropriate action. If the test is positive, the exhibitor will pay all veterinary and laboratory costs and forfeit all and any awards. Otherwise, the protesting party will be liable for such costs.
- 7.3.** The use of irritants (including blisters, ginger or similar soring or pain-inducing substances or devices) that affect the gait, carriage or performance of the horse is forbidden. Horses competing in Walking, Racking, and/or Spotted Saddle Horse classes (excluding Trail) must be inspected by the show DQP prior to competing.
- 7.4.** Horses suspected of being under the influence of any drug, chemical or caustic agent that would alter their natural performance and/or horses having granulation tissue, raw or bleeding sores from old or new scars due to prior mistreatment shall be disqualified from competition.

SECTION 8. AWARDS

- 8.1.** Awards will be presented to the top 10 placings in each class. The first-place winner will be designated as Grand Champion. The second-place horse will be designated as Reserve Champion. Each entry will receive an appropriate award.
- 8.2.** The judge shall not place any exhibitor regardless of the number of contestants in a class, if the exhibitor is unable to execute the prescribed maneuvers called for to complete the class.

SECTION 9. PROTESTS

- 9.1.** A protest may be made in writing to the show committee by a leader or an exhibitor, when co-signed by a leader, for any violation of rules other than the judge's decision and pony height after declared by show officials.
- 9.2.** The protest must contain a statement of the act(s) that constitutes the alleged violation and the specific rule(s) allegedly violated.
- 9.3.** The protest must be signed by the protestor(s) and accompanied by a deposit of \$100 cash.
- 9.4.** The protest must be filed within 30 minutes after the infraction in a class.
- 9.5.** The protest (in writing) will be directed to the protest committee and will be decided upon as promptly as the situation permits.
- 9.6.** If the protest is upheld, the \$100 deposit shall be returned; otherwise, it shall be forfeited.

SECTION 10. STATE 4-H HORSE SHOW DIVISIONS

10.1. The Tennessee State 4-H Horse Show will have eight separate divisions. They are:

- A. Western
- B. Speed Events
- C. Roping
- D. Hunter
- E. Walking/Racking
- F. Saddleseat
- G. Spotted Saddle Horse
- H. Ranch Horse

10.2. To maintain division status, the division must have 10 horses competing at the state horse show. If less than 10 horses are exhibited for two consecutive years, the division may be eliminated.

10.3. Horses are eligible to be shown in NO MORE THAN TWO DIVISIONS (plus Dressage classes) at the state 4-H horse show. Miniature horses may show only in miniature showmanship, halter, trail and hunter (jumper) classes. County and/or regional 4-H horse shows may allow members to exhibit in more than two divisions. Horses may not be cross-entered between corresponding horse and pony classes.

10.4. Halter Classes

Exhibitors may enter up to six halter horse and/or pony classes per division (junior halter mares, junior halter geldings, senior halter mares, senior halter geldings, pony halter geldings, pony halter mares). Show management reserves the right to split junior and senior, mare and gelding halter horse classes by exhibitor age if warranted by entry numbers. Only one horse or pony/rider combination per class is permitted.

- Junior Halter Mares (maximum age per breed standards, yearling minimum age)
- Junior Halter Geldings (maximum age per breed standards, yearling minimum age)
- Senior Halter Mares (minimum age per breed standards)
- Senior Halter Geldings (minimum age per breed standards)
- Pony Halter Mares
- Pony Halter Geldings

10.5. Points will be compiled separately for each horse entered. Division champions will be determined based on one horse/one rider. A division winner will be announced for each division. However, in the Walking/Racking Division a separate winner will be announced for walking emphasis and racking emphasis.

A. Tie Breakers

- (1) Highest placing in showmanship class.
- (2) Highest placing in equitation class.

10.6. All classes will receive points except goat tying and classes for miniatures.

10.7. Each member will be awarded points based on the following sliding scale (State and Southern Regional):

# Horses in Class	Placing	1	2	3	4	5	6	7	8	9	10
1		1									
2		2	1								
3		3	2	1							
4		4	3	2	1						
5		5	4	3	2	1					
6		6	5	4	3	2	1				
7		7	6	5	4	3	2	1			
8		8	7	6	5	4	3	2	1		
9		9	8	7	6	5	4	3	2	1	
10+		10	9	8	7	6	5	4	3	2	1

SECTION 11. SOUTHERN REGIONAL 4-H HORSE SHOW

- 11.1. Tennessee can send 70 horses to participate in the Southern Regional 4-H Horse Championships.
- 11.2. All members must pay their own expenses to attend and participate in the Southern Regional 4-H Horse Show. **ALL ENTRIES MUST BE MADE AT THE STATE SHOW.**
- 11.3. Qualification Procedure
 - A. Priority will be given to the top-point-earning senior members, followed by the top-point-earning junior high and junior members. The high-point junior high and junior in each division will be included in the top 70 contestants. **Senior, junior high and junior members must have earned at least three points to be eligible for consideration for Southern Regional participation.** However, if a full quota is not achieved with the preceding criteria, members with lesser points will be considered, with seniors receiving priority.
 - B. Qualification will be based upon seven categories as follows:
 - (1) Western Division
 - (2) Speed Events
 - (3) Roping Events
 - (4) Hunter Division
 - (5) Dressage
 - (6) Saddleseat Division
 - (7) Non-Trotting: Walking/Racking Division and Spotted Saddle Horse Division
 - (8) Ranch Division
 - C. Members may qualify in only one category. If members qualify in more than one category, they choose which category they will qualify in, thus which horse they will take.
 - D. The number of 4-H members qualified from each of these categories will be determined based on the percentage of members exhibiting in each category at the Tennessee 4-H Horse Championships. A member is counted only once in each division.
 - E. Members will be ranked by classifications (senior, junior high and junior) within each category from highest- to lowest-point earners to determine qualified members.
 - F. If allocations for any of the five categories are not filled by 4-H members desiring to attend Southern Regionals, then additional exhibitors will be taken from each of the other categories.
 - G. If allocations still remain, then those members who qualified more than one horse may take a second horse based upon the highest to lowest point-earning members in that group.
 - H. Tie Breakers
 - (1) Points in most number of classes.
 - (2) Highest placing in showmanship class.
 - (3) Highest placing in equitation class.
 - (4) Age as of January 1 of the current year – priority to the older member.
 - I. **ALL YOUTH ARE REQUIRED TO WEAR A PROPERLY FITTED ASTM/SEI-CERTIFIED HELMETS WITH CHIN STRAPS PROPERLY FASTENED WHILE MOUNTED at the Southern Regional horse show.**
- 11.4. Tennessee 4-H members only qualify through this procedure.
- 11.5. At the Southern Regional 4-H Horse Show, each 4-H'er may enter **one** conformation class, **one** showmanship class, and as many other performance classes as they want.
- 11.6. There are NO refunds once Southern Regional entries have been submitted by the State Specialist. If a 4-H member's horse dies, becomes sick or unsound before the Southern Regional Show, the member may substitute another 4-H member's horse or may purchase another horse.

A veterinarian's certificate of the death, sickness or unsoundness of the horse must be filed with the state specialist not later than the Monday of the Southern Regional 4-H Horse Show.

SECTION 12: TRAIL CLASSES FOR ALL DIVISIONS

12.1. Classes

- A. Class 117, 449, 545, 547, 606, 614, 715, 812 – Junior members
- B. Class 118, 450, 545, 547, 606, 614, 719, 813 – Junior high members
- C. Class 119, 451, 546, 548, 606, 614, 716, 814 – Senior members

- 14.3.7.** Knocking over a barrel shall carry a five-second penalty. Failure to follow the course shall cause disqualification. A contestant may touch the barrel with his or her hands in barrel racing. Any contestant who goes on the wrong side of a barrel past the point of the horse's shoulder, runs on the outside of barrel one or two toward the finish line from barrel three, or adds an additional 360-degree turn other than those specified shall be disqualified.
- 14.3.8.** The judge, at his or her discretion, may disqualify a contestant for excessive use of a bat, crop, whip, or rope in front of the cinch.
- 14.3.9.** In the event of a tie, the horse declared the winner in the runoff must re-run the pattern within two seconds of its original time or the runoff must be held again. Penalty time will not apply to the two-second rule but will apply to the final runoff time.

14.4.3. The pole bending pattern is to be run around six poles. Poles are to be 21 feet apart, and the first pole is to be 21 feet from the starting line. Poles shall be set on top of the ground, 6 feet in height, with no base more than 14 inches in diameter.

14.4.4. A horse may start either to the right or to the left of the first pole and then run the remainder of the pattern accordingly (see pattern). Any error that endangers the horse and/or its rider, particularly refusals or knockdowns, shall be heavily penalized.

 - (6) 30-49 – a horse that commits two or more major faults, including front knockdowns and refusals, or jumps in a manner that otherwise endangers the horse and/or rider.

- G. In cases of broken equipment, the rider may either continue without penalty or stop and correct the difficulty and be penalized the same as any loss of forward impulsion.
- H. When an obstacle requires two or more fences (in-and-out), faults committed at each obstacle are considered separately. In case of a refusal or runout at one element, entry may re-jump the previous elements.

17.1.1. Flat Walk

- A. The flat walk should be true, bold, and four-cornered, with the forelegs moving straight in an elevated arc and should be accompanied by a pronounced and cadenced head motion.
- B. The rear legs should follow through close to the ground, comfortably over striding the front tracks. Stiff-legged front or rear leg motion and an irregular gait, especially when entering the ring, are typical of the movement of a sore horse. The judge must immediately excuse any horse exhibiting this type of motion from the ring.

17.1.2. Running Walk

- A. The running walk should be the same general motion as the flat walk, but with additional speed.
- B. The horse shall exhibit a smooth, gliding, overstepping, four-cornered gait, with greater stride and accelerated head motion.
- C. The running walk should be a free and easy gait. Horses exhibiting an exaggerated, hesitating way of going, with a tendency to point with the front feet, are not in form. Twisting of the hocks or stiff-legged rear leg motion shall also be considered a deviation from the true running walk, and a horse exhibiting these ways of going should be penalized.

17.1.3. Canter

- A. The canter should be smooth and straight on both leads, not walking behind but cantering on both ends with a rolling, rocking chair motion, comfortably in hand.
- B. Exaggerated "pumping" of the horse at the canter is not considered good form.

17.1.4. General Information

- A. The Walking Horse should move freely in each gait and proceed in a smooth, fluid, rhythmic manner.
- B. At all gaits, the horse should be flexed at the poll with muzzle slightly tucked. Stiff front or rear leg motion; stumbling; bucking knees; lack of rhythmic timing; pointing or favoring a particular leg; the necessity for excessive pumping or bumping of the horse; or any tendency to rack, pace, or otherwise deviate from the true walk are not typical of the

breed. The preceding mannerisms are not considered good form and shall be penalized in judging.

The rider should exercise good taste right down to the smallest, most minute detail. The rider is required to choose a neat, well-fitted habit with accompanying accessories within the guidelines based on tradition and present-day customs.

Vests may be worn and may either match or contrast with the habit color. Careful attention should be given the fit of the habit. The coat length should be at least 3 inches below the fingertips when standing. The jodhpurs should be long enough to rest on the rider's boot top and the bottom of the boot heel when mounted. - E. The rider's hair must be neat and well groomed. Girls with long hair should have it styled so the back number can be seen easily.

- G. Bridles should be of the type commonly used by Walking Horses, with a single pair of reins. Colored brow bands are appropriate; however, rhinestones, etc., are not acceptable. Clean, well-kept bridles and shining silver bits are far more attractive. Martingales or similar tie-downs are prohibited.
- H. Saddles should be of the flat, English type and of the correct size for the rider. They should be clean and well-kept with white girth and shining irons. Forward seat or Western saddles are prohibited.
- I. Braids should be neatly attached at foretop and mane. Colors should blend well with rider's habit, brow band and color of horse. Braids should be of the straight plaited variety with no butterflies or other ornamentations.

 - (6) Rider without stirrups – Any or all gaits may be requested.
 - (7) Change canter/lope leads down center of ring – Change leads, stopping at each change.
 - (8) Figure eight at canter on correct lead – Full stop required on each change of lead. Pattern to begin at center of two circles so as to work lead change.

- C. Hands and wrists should be flexible and not held extremely separated. (From the rider's view, the hands should be in a "V" shape, close enough for thumbs to touch.) The fingers should be closed over reins, firm but not rigid. Pressure between thumb and index fingers to secure ends. Closed (or crossed) reins shall be used, with both hands on the reins, and the bight of the rein should be on the off-side.

17.10.8. Basic English Position

- A. To obtain proper position, rider should sit comfortably in the middle of the saddle and find his/her center of gravity by sitting with a slight bend at the knees, without use of the stirrups. While in this position, have stirrup leathers adjusted to fit so that irons will be under ball of foot with even pressure on entire width of sole and center of iron.
- B. The foot position will be natural and comfortable if the knee and thigh are rolled inward and the heel is slightly lower than the toes. From the front or rear view, the lower leg will be held naturally away from the horse, depending on the anatomy of the rider and the size of the horse.
- C. The knee should rest against saddle.

17.10.9. Position in Motion for English Riders

- A. The position in motion should be natural, coordinated and graceful, which is attained only with practice.
- B. From the side view a straight line can be drawn perpendicular to the ground through the rider's head, neck, shoulder, hip and ankle.
- C. The rider's toe should never be any more forward than his/ her knee, thereby keeping his/her center of balance directly above the feet and ankles.
- D. Upper arms should fall naturally from the shoulders toward the hip bones, and should be flexible, never clutched to the body, extended forward or spread away from the body.
- E. Hands should be in a comfortable waist-level position, depending on how and where the horse carries its head. The use of the hands should be smooth and gradual, without jerking or pumping at any of the gaits, or jerks on the reins parked.

17.10.10. Basic Western Position

- A. Rider should sit in center of saddle with legs under rider forming a straight vertical line through ear, center of shoulder, center of hip and back of heel.

- C. Body should always appear comfortable, relaxed and flexible. The back should be nearly flat. Stiff and/or arched lower back should be avoided.

- D. When using a romal, the rider's off-hand shall be around the romal with a least 16 inches of rein between the hands.
- E. Wrists are to be kept straight and relaxed, with thumb on top and fingers closed around the reins. One finger between the reins is permitted when using split reins, but not romal.
- F. Some movement of the arm is permissible, but excessive pumping will be penalized.
- G. Reins are to be carried immediately above or slightly in front of saddle horn. Only one hand is to be used for reining, and that hand shall not be changed.

It is recognized as being the ultimate for a pleasure horse in which ease of riding and comfort is paramount.

ALL RIDERS ARE REQUIRED TO WEAR PROPERLY FITTED ASTM/SEI-CERTIFIED HELMETS WITH CHIN STRAPS PROPERLY FASTENED AT ALL TIMES WHILE MOUNTED.

Hunter for proper attire and equipment)

1. To be shown in hand at halter or bridle with natural, roached, pulled or braided mane.

Hunters are to be judged on a style, manners and way of going with preference given to those horses who cover the course at an even pace, with free owing strides, as in a brisk

trot or canter, but must maintain same gait throughout course. Circling once upon entering the ring and once upon leaving the ring is permissible. Hunters must demonstrate at least one, but no more than four changes of direction. Sample courses are to be provided to show management. Charging fences or not maintaining the same gait throughout the entire course shall be penalized. Upon completion of the entire class over jumps, finalists will be trotted past the judge(s) for soundness check. Horses shall not be required to rejump the course. Each entry will be shown individually at the walk and trot.

2. Jumps must be a minimum height of 18 inches and maximum of 24 inches. Ground poles are required. There will be a minimum of four obstacles, and horses are to make a minimum of six jumps and a maximum of eight jumps. Jumps must simulate those found in the hunting field, such as brush, stone wall, gate, white fence, chicken coop, over, and in and out. In and out is considered one obstacle and scored as such. Refusal of one element of an in and out requires the retaking of both elements. In and out must never be placed at the beginning of the course. Courses should be tried out so as not to make turns too sharp for an exhibitor or horse. Major faults to be considered are knockdowns, touches, refusals, bucking or kicking, spooking or shying, showing obstacle to horse, or wringing tail.

A. Causes for elimination:

1. Three refusals
2. O course
3. Crossing your own path
4. Fall of horse or exhibitor
5. Jumping of obstacle by exhibitor
6. Carrying of whip

2. To be shown both ways of the arena at a walk, trot and extended trot. To stand quietly and to rein back. To be judged 60 percent on performance, manners and way of going; 30 percent on the condition, fit and appropriateness of harness and vehicle; and 10 percent on neatness, appropriateness of attire and overall impression. Excessive speed will be penalized.
 - a. Walk: A free, regular and forward moving four-beat gait. The horse should walk energetically, but calmly, with even and determined pace.
 - b. Trot: The horse should maintain forward impulsion while showing submission to the bit. The trot is slower and more collected, but the horse should indicate a willingness to be driven on the bit while maintaining a steady cadence.
 - c. Extended Trot: This is a clear, but not excessive, increase in gait and length of stride. The horse goes forward freely, engaging the hind legs, on a taut but light rein, the position balanced and unconstrained.
3. There are a variety of different styles of driving, and the driver's attire should coordinate with the driving style. Driving aprons and gloves are permitted but optional. Closed-toe shoes or boots are required. Attire should be conservative. Sleeves (short, $\frac{3}{4}$

or long) are required on shirts/blouses/dresses for ladies. Skirts/Dresses if worn should end below the knee. Jackets are allowed. Gentlemen should wear long sleeves. Jackets or vests are optional. Additional information on attire can be found on page 253 of the American Miniature Horse Registry (AMHR) Rule Book.

18.4.2. These are non-point-earning classes. **Miniatures MAY NOT show in ANY other classes at the Tennessee 4-H Horse Championships.**

(2) At right diagonal, rider should be sitting saddle when right front leg is on the ground.

(3) When circling clockwise, rider should be on left diagonal.

(4) When circling counterclockwise, rider should be on right diagonal.

F. Execute figure-eight at canter on correct lead, demonstrating simple change of lead. (This is a change whereby the horse is brought back into a walk and restarted into a canter on the opposite lead.) Unless specified, it may be started either facing the center or away from the center. If started facing the center, it must be commenced from a halt. Figure-eight commenced in center of two circles so that one lead change is shown.

G. Execute serpentine at a trot and/or canter on correct lead, demonstrating simple change of lead. Administer a series of left and right half circles off-center of imaginary line where correct diagonal or lead must be shown.

H. Change leads down center to ring or on the rail, demonstrating simple change of lead. Judge to specify exact lead changes to be executed as well as to specify the beginning lead.

18.8.3. It is imperative that the horse give the distinct appearance of being a pleasure to ride. The horse should be a safe, pleasant and mild-mannered mount. A quiet, responsive mouth is paramount. All gaits must be performed with willingness, obvious ease, cadence, balance and smoothness. All signs of resistance, resentment or aggressiveness must be severely penalized.

18.8.4. Horses are to be shown at a walk, trot and canter both ways of the ring. Horses may be asked to back.

A. Walk: A four-beat gait that should be true, flat-footed and ground-covering.

Spurs and/or a crop are optional at the rider's discretion.

18.9.3. It is imperative that the horse give the distinct appearance of being a pleasure to ride and display a pleasurable and relaxed attitude. The Hunter Pleasure horse should be shown in a longer, more rectangular frame than the Country English Pleasure horse, with the neck carried lower and in a more relaxed manner, with less arch in the neck and less flexion at the poll. The stride at every gait should be long, ground-covering, and efficient. A stride that is short, high and round is NOT appropriate. Horses that are, for more than a few strides, high headed, ridden on a draped rein, not in an appropriate frame, on the forehand, short-strided, or behind the vertical must be severely penalized.

18.9.4. Horses are to be shown at a walk, trot, canter and hand gallop both directions of the ring. All horses are to stand quietly and back readily.

All other horses must be shown in a curb bit with only one hand on the reins. Light contact with the horse's mouth must be maintained at all gaits. An excessively draped rein is just as undesirable as an extremely tight rein.

18.11.3. A good Western Pleasure horse has a comfortable, free-flowing stride of reasonable length in keeping with individual conformation. It should cover a reasonable amount of ground with little effort. Ideally, the horse should have a balanced, sweeping motion that requires no more than light contact by the rider. 20.2. Object and General Principles

The object of dressage is the harmonious development of the physique and ability of the horse. The result is a horse that is more supple, calm, loose and flexible, but also confident, attentive and alert, thus developing perfect union between horse and rider.

The object of Western Dressage is to develop a partnership between a happy equine athlete working in harmony with his rider. 20.4. The Gaits and Movements

Classes 901 and 902

20.4.1. Halt

- A. Horse stands obediently quiet with equal weight on all four legs.

20.4.5. Working Canter – A forward three-beat rhythm with a quiet consistent tempo while remaining on the bit.

Classes 903, 904, 905, 906

20.4.6. Halt – Horse should stand attentive, engaged motionless, straight and square with the weight evenly distributed over all four legs. The neck should be raised with the poll as the highest point and the head slightly in front of the vertical. While remaining “on the bit” and maintaining a light soft contact with the rider’s hand, the horse may quietly mouth the bit and should be ready to move off at the slightest indication of the rider.

20.4.7. Working Walk – Four-beat, active energetic walk with resolutely forward-reaching steps and confident stretch to the bit. The length of stride, rhythm, the relaxation and swing through his back are of great importance.

20.4.9. Working Jog – An energetic, regular, two-beat jog; the horse must go forward with even and elastic steps. The back must be relaxed and the shoulders free, while under the horse. The horse must show proper balance and maintain light contact with the bit. The horse’s nose must be in front of the vertical. The working jog may be ridden either posting or sitting.

20.4.10. Working Lope – While maintaining the three-beat cadence, the horse must go forward with even and elastic steps. The back must be relaxed and the shoulders free; there is an obvious push from the hindquarters and the hind legs step actively up under the horse. The horse must maintain light contact with the bit and his nose must be in front of the vertical.

20.4.11. Faults of gaits include crookedness, loss of rhythm; tight and tense back with short stiff neck; horse of forehand and/or leaning on the bit; nose consistently behind the vertical; changing tempo; and evasion of contact.

A. Should a rider go off course, the judge will sound an audible sound.

B. The rider should stop and allow the judge to instruct him/ her how to proceed. The rider then proceeds from memory or the caller starts calling the test from the point instructed by the judge.

C. Being off course constitutes an error. However, if the caller aids the rider in any fashion other than calling the test, the rider is eliminated.

D. Errors and points

(1) 1st error – 2 points

(2) 2nd error – 4 points

(3) 3rd error – elimination

20.6. Elimination

20.6.1. Automatic elimination occurs if the rider fails to enter the dressage arena within 45 seconds of the judge's audible signal.

20.6.2. All four of the horse's feet leave the arena after the test has begun.

20.6.3. Unauthorized assistance, obvious lameness or use of illegal equipment.

20.6.4. Elimination of the exhibitor will occur if there are three errors of the course/test, if the horse's tongue is tied down, cruelty determined at the judge's discretion, resistance of longer than 20 seconds, and fall of the horse and/or rider.

20.6.5. If a rider has missed their ride time, the rider will be eliminated from placing in the class. An opportunity to ride for remarks only will be permitted at the discretion of the judge and/or show staff. 21.2.7 Walk/Trot (Classes 817, 818, 819) – Only open to beginner riders (grades 4-12). Riders may not cross enter into any other class that allows for walk, jog, lope.

21.3. Ranch Riding

21.3.1. Horses will be shown at three gaits: walk, jog, and lope. Class 817 will be comprised of Walk/Trot only and is available for beginner riders only. Rider will also be asked to reverse away from the rail, to stop, and to back. The judge may ask for an extended trot. Extended trot may be ridden by sitting in the saddle, posting or standing in the stirrups.

21.3.2. A good ranch horse has a free-flowing stride of reasonable length (in keeping with his conformation) and covers a reasonable amount of ground with little effort. The motion should be balanced and flowing, with the head carried in a natural position (in keeping with the horse's conformation). The horse should be shown on a reasonably relaxed rein but with light contact and control. Responsive, smooth transitions should be shown when changing gaits.

21.3.3. The walk and jog should be free-moving and void of peggy, short-strided motion. The lope should be a definite three-beat gait, performed on the proper lead and showing good use of the hindquarters.

21.3.4. Horse's expression should be alert and mannerly, without the appearance of a dull, sullen, lethargic, drawn or overly tired attitude. Maximum credit will be given to the flowing, balanced and willing horse that gives the appearance of being fit, alert, and a pleasure to ride.

21.3.5. Horses 6 years of age and older must be ridden in a curb bit and shown with one hand. Horses 5 years of age and younger may be shown 2-handed in a snaffle bit or bosal.

21.3.6. Credits:

A) Natural, ground-covering gaits

B) Consistency at all gaits

C) Smooth upward and downward transitions

D) Working off hindquarters when turning

E) Working on reasonably loose rein without excessive cueing to maintain moderate pace

A) Lack of ground-covering gait

B) Excessive speed or slowness of gait

C) Wrong lead

D) Failure to make upward or downward transition when called for

E) Opening mouth excessively

F) Stumbling

G) Head carried with tips of ears lower than withers for less than 3 strides

21.4. Ranch Horsemanship

21.4.1. Seat and hands

A) Exhibitor will be judged on seat, hands, ability to control and show horse, and suitability of horse to rider. Results as shown by performance of horse are not to be considered more important than the method used by the rider to obtain them.

B) Upper arms to be in a straight line with body; hand(s) holding reins should be bent at the elbow. Only one hand on the reins may be used on horses shown in a curb bit. If showing a horse (5 years of age or younger) in a snaffle or bosal, two hands may be used to hold the reins.

- C) Exhibitor should sit in the saddle either with legs hanging straight and slightly forward to the stirrups or with knees bent slightly and weight directly over the balls of the feet. In either position the stirrups should be just short enough to allow the heels to be lower than the toes. Body should always appear comfortable, with heels relaxed and flexible. Feet should be placed in stirrups with weight on the balls of the feet. Consideration should be given to width of stirrups, which may vary on Western saddles. If stirrups are wide, foot may give the appearance of being “home” when in reality the weight is being carried properly on the ball of the foot.
- D) Exhibitor should sit the jog and not post. At the lope, rider should be close to the saddle. All movements of the horse should be governed by imperceptible use of the aids. Exaggerated shifting of the rider’s weight is not desirable.

21.4.2. Class routine

- A) The judge must first ask each exhibitor to work individually using a designated pattern. The pattern may include any maneuvers that are normally required in any stock horse class, such as figure eights and square stops. Individual pattern work must include all three gaits. Class 818 will be comprised of Walk/Trot only and is available for beginner riders only. Exhibitors must also be required to back in a straight line. It must be remembered that, above all, a stock horse is expected to respond instantly and smoothly to all aids.
- B) After each exhibitor has been worked individually, the judge may recall all exhibitors or finalists to work on the rail, or the class may be placed.
- C) Exhibitors recalled for rail work shall enter the arena at a walk and be judged on the rail at a walk, jog, and lope. They shall be worked both ways of the ring and should always be on the correct lead at the lope. The reverse is to be executed by turning away from the rail. The horse should be in perfect balance at all times, working entirely off of its haunches. The head and neck should be in a direct line with the body, with the mouth closed and the head at a natural height for the horse’s conformation.

21.5. Ranch Reining

21.5.1. Any one of the five ARHA reining patterns may be used. One of these patterns is to be selected by show management and used by all contestants in the class.

21.5.2. Each contestant will perform the required pattern individually and separately. All horses will be judged immediately upon entering the arena and judging will cease after the last maneuver. To rein a horse is not only to guide him, but also to control his every movement. The best reined horse should be willfully guided or controlled with little or no apparent resistance and dictated to completely. Horses should be able to complete all maneuvers within the reining pattern. Any movement on his own must be considered a lack of control. All deviations from the exact written pattern must be considered a lack of or temporary loss of control and therefore faulted according to severity of deviation. Credit will be given for smoothness, finesse, attitude, quickness and authority in performing the various maneuvers while using controlled speed.

21.5.3. Scoring will be on the basis of 0 – Infinity, with 70 denoting an average performance.

Allow the horse sufficient lead so that it can move freely and in a straight line. Lead the horse from the left side the required distance, stop and turn to the right around the horse.
- C. It is mandatory that the judge post the pattern at least one hour prior to the commencing of the class; however, if the judge chooses to bring back exhibitors for consideration of final placing, the finals pattern need not be posted.

- A. Imaginary lines bisect the horse into four equal parts as seen in Figure A. (Note: The quadrants will be numbered I, II, III and IV for ease of identification.) One line runs across the horse just behind the withers. The other imaginary line runs from head to tail.
- B. When the judge is in I, the handler should be in IV. As the judge moves to II, handler should move to I. When the judge moves to III, the handler moves to IV. As the judge moves up the horse to IV, the handler returns once more to I.
- C. This method is based on safety as the handler can keep the horse's hindquarters from swinging toward the judge should the horse become fractious.
